

EDUCATION SECURED WITH WATCHSPIRE AI

Schools, colleges, and universities deserve environments where learning thrives without compromise. Watchspire AI empowers institutions with proactive safety, operational efficiency, and campus-wide intelligence.

Safer Campuses. Smarter Learning. Stronger Protection.

WHAT WE DELIVER

Perimeter & Gate Safety

Track entry/exit to keep campuses secure from unauthorized access.

Suspicious Behavior Detection

Identify unusual activity around classrooms, labs, or dorms.

Attendance & Footfall Monitoring

Automate attendance tracking and monitor crowd flow.

Emergency & Fire Alerts

Detect hazards early for faster response

Campus Hygiene Monitoring

AI ensures cleaning compliance across cafeterias, restrooms, and hostels.

WHY IT MATTERS

- Safer students and staff
- Faster emergency response
- Smarter, data-driven campus operations
