

RETAIL REINVENTED WITH WATCHSPIRE AI

Step into the future of retail with AI-driven video intelligence. Watchspire AI transforms every corner of your store into a hub of insights — keeping customers happy, staff efficient, and operations secure.

Smarter Stores. Safer Spaces. Seamless Shopping.

WHAT WE DELIVER

Know Your Customers

Demographic insights help you design better layouts and deploy staff where it matters most.

Built-In Loss Prevention

Spot shoplifting, abandoned carts, or restricted-area intrusions before they cost you.

Always Clean, Always Ready

AI ensures cleaning schedules are met in restrooms, dining areas, and high-traffic zones.

No More Long Lines

AI-powered queue monitoring alerts staff before customers lose patience.

Smart Stock & Storage

Detect cartons and boxes to streamline inventory management in warehouses and back rooms.

WHY IT MATTERS

- Happier Customers, Shorter Waits
- Fewer Losses, more profit
- Smarter, data-driven operations
